| BRIAN HART, |) | |
| Defendant. |) | |

THIS MATTER IS BEFORE THE COURT on its own motion. In the Pretrial Order and Case Management Plan entered on July 17, 2008 [see doc. 56], a clerical error was made which set the motions date prior to the discovery deadline. Therefore, IT IS ORDERED, that the motions date be corrected to reflect **May 30, 2009**, as the Motions Deadline.

So ordered.

Signed: February 17, 2009

Graham C. Mullen
United States District Judge
